

SUBJECT: Smartphone App – Website Material Search Engine – Waste Sorting Game

Hello Everyone,

Outagamie County Recycling & Solid Waste is pleased to announce our new social media features we now have available: *Smartphone App, Website Search Engine and the Waste Sorting Game.*

We are excited about communicating these new social media features to residents and are reaching out to our municipalities in hopes you will help us promote this information in your upcoming newsletter and website.

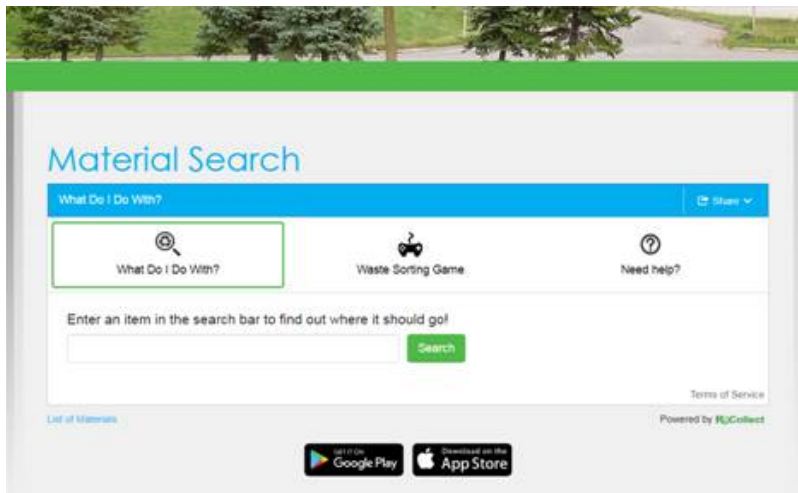

Smartphone App:

If you are an avid Smartphone user check out our app by clicking on the links   or search your app store for "Outagamie Recycles". Attached are the images and below are the links to insert.

- Google Play: <https://play.google.com/store/apps/details?id=net.recollect.outagamiecountywi.waste&hl=enC:%5CUsers%5Cmillercm%5CDocuments%5CAdobe>
- Apple App Store: <https://recollect.a.ssl.fastly.net/app/OutagamieCountyWI/waste/ios>

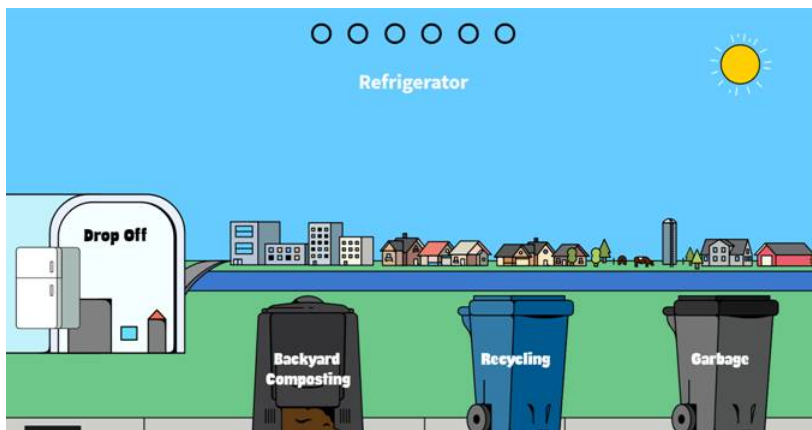

Website Material Search Engine:

The material search on our website is now powered by the Waste Wizard. It has a new look and has a lot more materials added. Give it a try!

Waste Sorting Game:

Next to the material search button on the website or on the mobile app you can play the waste sorting game. You're never too old to test your knowledge!

Outagamie County Recycling & Solid Waste truly appreciates your support in promoting these exciting new media features. Please contact Chris Miller with any questions or comments. 920-968-5721.
