As the contracted assessor for your municipality, Accurate Appraisal, LLC, will visit your property located at «St\_Name» within the next 60 days. The purpose of this visit is for reviewing property characteristics to develop fair and current values for the purpose of property tax assessment. This process ensures all property is taxed fairly.

Properties viewed annually include but are not limited to those that have had a recent sale, acquired a building permit, needs data verification, or land that needs classification.

Due to Covid, our field assessors will be wearing masks. Assessors will not enter homes for interior inspections, but only gather information at the door. When they knock on doors to verify information, the assessor will move six feet back from the door, providing safe distance. Exterior inspections will consist of measuring and verifying data, while considering safe distancing.

To ensure receiving a complete and accurate valuation, it benefits the homeowner to provide interior viewing access of their residence when requested. For the purposes of valuation if access is denied, the assessor will then base the valuation on the next best information available. If facts exist making an interior view necessary to complete an accurate valuation, the assessor may seek a special inspection warrant per section 66.0119 of the Wisconsin Statutes to view the interior of the home. However, section 70.05(4n) of the Wisconsin statutes requires the following notice:

*You have the right to refuse entry into your residence pursuant to section 70.05(4m) of the Wisconsin statutes. Entry to view your property is prohibited unless voluntarily authorized by you. Pursuant to section 70.05(4m) of the Wisconsin statutes, you have the right to refuse a visual inspection of the interior of your residence and your refusal to allow an interior inspection of your residence will not be used as the sole reason for increasing your property tax assessment. Refusing entry to your residence also does not prohibit you from objecting to your assessment pursuant to section 70.47(7) of the Wisconsin statutes.*

In the event the property owner isn't home during our visit, we will leave our contact information on the main building.

If you have any questions or concerns, please contact us [info@accurateassessor.com](mailto:info@accurateassessor.com) or 800-770-3927.

Thank you for your cooperation with this matter.

Sincerely,

***Accurate Appraisal, LLC***
